We are starting Arts & Crafts Club this half term and it will probably get very messy. We are after old work shirts so if you have any you no longer need please donate them to the school office. Thanks.

General

Year 6 enjoyed some summer Rugby coaching from Paul Quill (Chingford RC) last week. The children learned the basics of pass and catch, the grip of the ball, where to pass from, how to score tries, footwork and teamwork. They finished with games of rugby netball, a lot of points scored and everybody got their hands on the ball. Paul has already been booked to return very soon.

A massive well done to Alexandra, Victoria & Tilly for taking part in the Cancer Research - Race for Life event. Raising money for this good cause.
