

Woodford Green Primary School

Wednesday 6th May 2020

Hello everyone. Another week of some fantastic home learning and many photos to share. Thank you children for continuing to work hard and learn in this time and a bigger thank you to all the parents and carers for doing a fantastic job of leading the children through the activities. This week we have split our photo newsletter into separate pages for each year group which will be emailed to you separately. We will post all the Year group photo newsletters on the website for parents and children to view.

Stay Safe all

Future Contact

We would like to keep in touch with you as much as we possibly can during this time. We will contact you and your family by phone from time to time. It is always lovely to hear how you are and how your children are getting on with their activities and home learning.

CORONAVIRUS UPDATES

During this time, we will update our website regularly with national and local information. We will also use the *Teachers 2 Parents* system to send you texts and emails. We understand that this is a very difficult and strange time for families and we want to keep you as informed and updated as we possibly can. Please look out for emails and texts as well as check our website for any updates. These can be found in our *Coronavirus Updates* section.
