Work Grow Play Succeed

Headteacher: PJ Prince

Dear Parents/Carers,

We would like to thank all parents for the year so far, with special gratitude to our year 6 parents for all the support they have given us for many years. We hope that this school closure will not be prolonged. We would also wish to thank our wonderful children for all their hard work throughout the year, they have made us extremely proud. If we do not reopen before the end of the academic year, we will hold a special ceremony to celebrate our year 6 children once schools reopen. We *will* invite them back, but for now, see you later.

We know that all of our children will keep busy during this time, doing homework set by their teachers, regular exercise, and helping their parents at home. Your teachers will also send you research questions to study and learn over this period of time. We want all of your children to keep safe. We thank parents for supporting us through this year and particularly through this crisis period.

Thank you to our grandparents who have also supported our children, picking and dropping them off at school and supporting them with their learning. We hope you keep safe and we look forward to seeing you again when our schools reopen.

During the school closure we will be keeping in regular contact with you via our school website, emails and text messages. Our teachers will be planning work for your children to complete each week and this will be available on the school website for your children to view or download. If you have any questions or need to communicate with us, please make contact via the [school@woodfordgreen.waltham.sch.uk](mailto:school@woodfordgreen.waltham.sch.uk) or 02085041629. All our teachers' email addresses are in the school staff section should you need to contact any of us. Emails will be checked daily throughout this period.

If your child falls ill during this period, we ask that parents contact the school to inform us so we can monitor and support where needed.

We would like to urge all of our school community to adhere to the government and public health guidance during this time. Most importantly we wish to remind everyone in the family to wash their hands regularly, keep a safe distance from others where necessary and keep themselves safe. We will want to ensure that in time, we can all be back, healthy and ready to carry on.

We will regularly update our website with home learning, so please look in the class pages. We will also keep updating our coronavirus update page in the Information section of the website so please have a look at that too. Keep safe and we hope to see everyone back at school in the very near future.

Please stay safe.

All of us at Woodford Green
