

Dear Parents/Carers,

Below is the home learning grid for the Reception children this half term. You can choose a minimum of one task to complete each week of your choice if you wish, and at the end of the week we will celebrate what the children have done.

 <p>Can you find out five interesting facts about dinosaurs and write them down?</p>	 <p>Can you draw a picture of your favourite dinosaur and write about it?</p>	 <p>Can you design and make your own dinosaur model?</p>	 <p>Can you make an information booklet about dinosaurs?</p>
 <p>Can you practise counting in 5s and 10s?</p>	 <p>Can you write down number bonds to 20?</p>	 <p>Can you visit a library and choose two new books to read related to our topic?</p>	 <p>Can you identify the value of different coins and notes and then take a photo of the things you can buy with them?</p>
