

YEAR 5

Joshua is really getting into his reading. Looks like a great book!

It was really great to see or hear from so many of you on Google Classroom. Quizzes and questions will continue to be posted and we will do another meet very soon.

Enzo created a very artistic photo diary of how to prepare a pineapple.

We had to find room for Isaac's wonderful cooking. I am sure these tasted delicious.

Liam Woods awoke to a clashing sound. He was tall with Brown hair and had one blue eye and one yellow eye. His ship, The Phoenix, had just hit another piece of space debris; and if you know what nails on a chalkboard sound like, this 10 times worse. He got out of his bed and observed the Endor system in all its glory. (Archie)

I woke up this morning and felt quite dizzy. Along with that, I was really cold. Maybe it was just that my radiator wasn't on. But surely I couldn't be as cold as this if I had my duvet on? I opened my eyes to see what was going on... AAAAAAAAAAAAA! I wasn't in my nice comfy bed with my lovely teddy bears! I was on an island in the middle of nowhere! How was this possible? I knew that I sometimes walked in my sleep but this was ridiculous! Was it possible to be here? Had I been kidnapped? Maybe I would feel less worried if I looked around the island (Colin)

As Robinson Crusoe opened his eyes, he could see he was on a island! As soon as he realised that, questions came popping out of his head! What should he drink, what should he eat? How is he going to survive? Is there anyone else on this island? There were hundreds of questions! So, Day by day he started making the island his home. He tried to find water and food and build a house. He is not alone, he has a dog, sheep and a parrot. This went on for years and years. Robinson made clothes and food out of animals and their gear. Finally he was happy that he has a life and a home.

(Daniela)

Samuel decided to make the best of the lovely weather and take his learning outside.

This is just a selection of excerpts from the fantastic short stories sent in this week. Well done to everyone who sent in their work.

Each story was based on Robinson Crusoe and being stranded, but we had a great range of interpretations. These included being in space, never leaving your own space (but thinking you did) and an adaptation of the original theme.

Archie even created characters to illustrate his story—a fantastic idea!
