

Happy Children, Successful Learners

18th December 2015

Dear Families and Carers

Our Christmas Performances and Christingle Service have all been wonderful occasions again this year as our children once again demonstrate their talents. We have such confident pupils, who amaze us with their singing and acting, remembering so many words and speaking so clearly. As we end this autumn term, I wish you all a very Merry Christmas and I look forward to seeing you all again on the 5th January 2016 for our 'GET FIT, GET HEALTHY' week of activities!

GET FIT, GET HEALTHY WEEK

5th to 8th January 2016

This will be our exciting start to 2016 and all week the children will be involved in a wide range of activities that promote good health, both body and mind.

Children need to come to school every day in sports clothes, tracksuits, leggings and sweatshirts as we will start the morning and afternoon sessions with a fun, aerobic session.

Wednesday 6th Jan – School Nurse Service will talk to all pupils about caring for our teeth properly.

Friday 8th Jan – Bailey's Catering are leading cooking workshops with each year group and the morning recipes will then be served as part of a healthy buffet lunch. All pupils will be encouraged to try the food prepared that morning. On this date, Friday 8th January, jacket potatoes will be the only hot option on the menu. We would like all our children, where possible, to have a school lunch.

At 2.50pm we would like to invite parent's to come in to a short assembly about our week and taste the delicious afternoon snacks that will be prepared by the children.

Lateness

The number of pupils arriving after 8.55am, when the second bell rings, is increasing. Please help us improve this as the children find it very unsettling to be running in to class as everyone else is settled. Being punctual is very important in the world of work where consistent lateness is not tolerated.

If you have any old school uniform or underwear in good order, please could you bring this into the school as this is very useful to us. Thank you.

A jumble sale will be held on Friday 22nd January 2016 from 12.15pm at the Old Library in Droitwich. Any donations should be brought in on Thursday 21st pm and Friday 22nd before 11am

SCHOOL MILK

Milk needs to be ordered for the Spring Term, however, please check with your child if they still require school milk as we are throwing large quantities of milk away each week.
