

Wychbold First and Nursery School

Pupil Premium Grant Report 2015/16

What is it?

The pupil premium is funding allocated to schools for the specific purpose of boosting the attainment of pupils from low income families. The funding is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years (known as “Ever 6 FSM”). Schools also receive funding for children who have been looked after continuously for more than six months, and children of service personnel.

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

Pupil Premium allocation, use and impact on attainment

Number of pupils and pupil premium grant (PPG) received 2015/16	
Total number of pupils on roll	86

Total amount of PPG estimate/received (Sept 2015 – July 2016)

£18,943.70
