

## Happy Children, Successful Learners

### 9<sup>th</sup> October 2015

Dear Parents & Carers,

I would like to thank all the parents that came to the Harvest Festival and donated food. Well done to the children for performing so confidently after only three weeks back at school.

This wonderful contribution has been passed on to a local food bank. This food bank has provided help to 57 families from Wychbold in the last year, and therefore your contributions have helped your local community.

Mrs Hughes

#### ➤ **Bailey's Catering:**

Dear Parents,

In November we celebrate National School Meals Week (2<sup>nd</sup>-6<sup>th</sup> November) and so we are offering the pupils of our schools the opportunity to join in the fun activities by holding a 'Design your own lunch' competition. We will be providing children with an entry form that includes a plate for them to draw their meal on and an ingredients section to let us know what is in their meal. They can give their meal a creative name too so if it comes up on the menu in November they will know it's theirs!

For the meal to be selected to appear on our menu it must meet national nutritional standards so encourage your child to design a meal that includes the main food groups (see attached). Entry forms need to be returned to Baileys Catering by **Tuesday 20th October**.

We will be posting our winning entries on our Facebook site so look out for yours at
