

Welcome back

Welcome back to our second half term. I hope you all had a lovely rest over the half term break.

This week we have completed parents evening. Any parents that were unable to attend this week please contact myself in order to arrange a date to discuss how your child is getting on.

As always If you have any questions or queries please feel free to speak to either myself (Miss Todd) or Miss Grubb.

PE Sessions

The children will still be taking part in two P.E sessions a week.

On Tuesday afternoons they have swimming at Droitwich Leisure Centre. The children have their second P.E lesson on a Thursday afternoon.

Just a reminder that the children need to have two P.E kits in school.

Indoor kit: White t-shirt, black shorts, sport socks (optional) and black pumps.

Outdoor kit: Long sleeved zip up top, tracksuit/ jogging trousers and trainers (these may get muddy). We would prefer Navy blue or black colours.

Children will need to have a PE kit in school for all sessions

Homework

Reading – I have seen a great improvement in children's reading and writing as a result of regular reading at home. As a school we ask that the children read or are read to at least three times a week. I have spoken to the children and discussed that they are able to log this in their reading records and adults are required to sign and write a small comment. The children need to ensure that their reading records are brought in every Monday for us to check, if they read three times a week they receive a dojo point.

Common Exception Words (Tricky Words) – At parents evening I have handed out spellings which the children are able to do (highlighted) and words that they are still struggling with. Please use this to practice at home as another assessment will be completed in the Spring half term to see their progression.

Spelling Log Books – I have discussed with the children the importance of their spelling log books (blue). This is another way that the children can be practicing their spellings.
