5th January 2018

Dear Parents

Please could all the children in Starlings and Owls class bring a special book to school on Monday 8th January.

The book needs to be special to themselves and it can be any kind of book, for example, picture book, story, fact, fiction, poetry, religious, old or new. It could be a present or an heirloom. (Please make sure the book is named).

We will need to use the book for the whole week. We will look after all the special books and return them on Friday 12th January. Please discuss the book with your child and help them to understand why it is special to them.

Thank you for your support.

Mrs J Hounsell-Hardy
