

Welcome back to the final Term this year. This term begins to get very busy with lots of events and activities, as well as this, Falcons and Eagles will be beginning our rehearsals for the show '**Mystery at Magpie Manor**' at the end of the year. The date of the show will be fast approaching and therefore we will be using some of our afternoons to learn and rehearse the show as well as creating props and costumes. Once we have begun to practise our show we will be in contact to discuss costumes and clothing that the children may need for their parts.

PE Sessions

The children are continuing their two P.E sessions a week.

Wednesday am and Thursday pm.

This term the children will be focussing on games and athletics ready for sports day in the second Summer half term. We will be working on our skills working as a team through the game of rounders.

Spellings and Reading

As we are fast approaching the end of year 3, it is important that the children are regularly reading and practising their spellings, ready for year 4

Student Teachers

During the Summer term, Miss Cliff will be returning to finish her PGCE year. As Miss Cliff is nearing the end of her course, her responsibilities will increase, meaning that she will be leading more lessons. This will provide myself time to work with particular groups and to deliver more interventions.

Summer topic - Rainforests

Our new Summer Term topic is focussing on the **Rainforest**, we will be discussing what they look like, key words to explain and discuss about the rainforest as well as looking at deforestation and the effects on the rainforest and the animals within it. We will be discussing about the big topic of palm oil and how this is affecting our rainforests.

During our Class Enrichment, we will also be looking at **Enterprise**, the children will be learning all about what it takes to build a successful company, they will be inventing and designing their own products, learning how to write persuasive advertisements and much more.
