13th October 2017

Dear Parents/Carers

In Nursery we are exploring the possibility of an exciting opportunity to enrich the Early Years Curriculum through offering new activities each morning. An external company, Hartbeeps, who offer a 'sensory adventure' on a Thursday morning in the school hall for parents who wish for their children to attend. (Please see attached flyer). There will be a charge for the Hartbeeps sessions of £2.50 per child per session. Children not attending will be in Nursery as usual.

Alongside the Hartbeeps sessions we are providing the following for all children at no cost:

Monday: Messy Mondays, focusing on expressive arts.

Tuesday: Forest School

Wednesday: Dance & Gymnastics led by an external qualified dance instructor.

Thursday: Hartbeeps (optional at £2.50 per session)

Friday: PE sessions focusing on movement and multi skills

We can cover the cost of most session through school funding and sports funding, however, we are unable to fund the charge for the optional Hartbeeps of £2.50 per child per session (Hartbeeps is usually over £5.00 per session per child).

Before we offer Hartbeeps we need to gauge interest from parents who are looking to attend.

Please therefore complete and return the attached form by Wednesday 18th October 2017.

Yours Sincerely

Mrs H Bromley

.....
 Yes I would be interested in attending the Hartbeeps sessions at £2.50 per session

No I would not be interested in attending the Hartbeeps sessions.
