2nd December 2019

Dear Parents and Carers,

Access to school in snow/ice

On mornings when the school grounds are icy or there is snow, we will be reducing the access into school so all classes use the side entrance past the school office. This is the most sheltered path to the classrooms.

For **Falcons, Owls and Starlings**, this is the usual access route.

For **Robins**, please follow the path around under the canopy to access by the usual Robins door.

For **Eagles** children, please access using corridor entrance under the canopy next to Owls class and then walk through school to Eagles classroom.

If we have snow which remains all day, then these points will also be the collection points at the end of the day, rather than trying to use the playground.

Yours sincerely

Claire Howitt
