Dear Parents/ Carers,

I am writing to share that Mr Morgan will be leaving us on Monday to take up a new and unexpected position in Perryfields PRU, which is an opportunity through the Rivers MAT. Whilst we have thoroughly enjoyed having Mr Morgan as part of the team at Wychbold and we will really miss him, we are delighted to be able to replace his leadership capacity with Miss Bromley as fulltime deputy headteacher. Mrs Mounter will be teaching alongside Mrs Hounsell in Starlings class to replace Mr Morgan's teaching days.

In addition, Mrs Atkinson will be also joining us at Wychbold on Thursdays as she splits her Rivers School Improvement role with us.

Miss Bromley is already trained to lead the Upton Warren group, so will be leading that Fun Friday group from next week.

As always, please don't hesitate to contact me if you have any questions or queries.

Yours sincerely,

Claire Howitt  
Headteacher
