

WYCHBOLD FIRST & NURSERY NEWSLETTER

4th October 2019

Dear Parents and Carers,

As a staff, we have been reviewing our focus for the school improvement plan for the next academic year. Our focus is on developing children's reasoning and investigating skills across the curriculum. This will lead to a greater depth of understanding in their topics through reading, which will then support them in their individual age-related targets.

Throughout the year, reading will be a strong focus across school, and we will be encouraging children to develop a love of reading. I am pleased to say that we will be creating a school library this term to provide a welcoming space for children to read and change books. As we restock our new library, we will be looking for any donations of good quality books, so if you have any at home that are no longer needed, please keep them for us!

As always, please don't hesitate to speak to me should you have any questions or concerns.

Mrs Howitt
