

Happy Children, Successful Learners

12th February 2016

Dear Families

Thank you all for your attendance this week at our Parent Evening meetings, you have left very positive comments and we are grateful for your feedback. At this time of year we ask you to complete a questionnaire to help us evaluate our school and identify any improvements that need to be made. Sadly, no parents were able to attend the last Parent Forum meeting, which is an excellent opportunity for discussion on strengths and areas for development in school. Parent View at parentview.ofsted.gov.uk is the Ofsted portal for you to give feedback and we can access this information directly. Please take a few minutes to log on and share your views which we will analyse in the next few weeks. When we are visited by an inspector, they will use this feedback when judging the strengths of our school. I hope you all have a good half term break and we look forward to seeing you on Monday 22nd February.

INCLEMENT WEATHER

Black Ice

Now that we are in the season of frosty morning and snow, please be aware that the area immediately outside the school gates is particularly prone to black ice, for your own and the safety of others, please do not park in this area and drive very carefully if driving past.

Inclement Weather conditions!

We are now approaching that period where the weather can be an issue, so it is prudent to remind everyone of the procedures in the event of the school having to close because of heavy snow or other inclement weather. Any decision to close school is always taken as early as possible in the morning, usually between 6.30 and 7.00am. A text message will be sent out immediately and a message posted on our website www.wychboldschool.co.uk

BBC Radio Hereford and Worcester and Radio Wyvern will also be notified. The frequencies to tune into are:

BBC Hereford and Worcester 104 FM & Radio Wyvern 102.8FM

The county will also list our closure on the www.worcestershire.gov.uk website under school closures.

We do make every effort to remain open or have a staggered start when it is possible.
