

Happy Children, Successful Learners

13th May 2016

Dear families.

Our Year 4 pupils are just returning from a very successful residential trip to the Pioneer Centre where they have stayed for 2 nights and 3 days participating in a range of adventurous activities. They have all, without exception, demonstrated determination and bravery to challenge themselves to complete tasks that were out of their comfort zone. They are all returning tired but triumphant! I must also praise their behaviour which was exemplary toward other children from our Droitwich Cluster small schools who were also staying at the centre and the wide range of adults they met and worked with. They were a credit to Wychbold and we should all be very proud of them.

I would also like to thank Miss Neal and Mrs Maycroft who led the trip this year, their attendance over the 3 days has allowed this visit to go ahead and make memories that will last a lifetime.

PURPLE MASH & EDUCATION CITY

All children are set homework on Education City & Purple Mash. In September this is where the majority of homework will be set from and therefore we are encouraging the children to access and complete activities now in preparation. Children will receive dojo points for going onto Education City & Purple Mash to complete homework activities. If children have lost their log in details please see Mrs Atkinson. The computer suite is open every Monday from 3.15pm to 4.15pm, this is a parent and child session so children must be accompanied by a parent/guardian.

STARLINGS NEWSLETTER

To end our discovery of Kings & Queens we will be hosting a street party on Thursday 26th May in the afternoon. Look out for your invitation!

PHONICS READING BOOKS

Children in Reception, Starlings and Owls are currently bringing home RWI phonics books to read at home. These books allow the children to show off their fluent reading and help to develop confidence. To further support our home reading we have restructured our reading boxes and children will now be able to select complimentary books within their reading range. Your child can still choose a classroom story book of their choice that will be their sharing book. Children will start to choose from the book boxes next week.
