

WYCHBOLD FIRST & NURSERY NEWSLETTER

20th September 2019

Dear Parents and Carers,

It has been a good start to the term for the children. The beautiful weather has ensured that they have been able to enjoy the outside environment as much as possible.

The children have now begun learning about their topics in school. For the first time, they have brought home fact sheets about the topic, which summarises the information that the teachers hope the children will remember at the end of the topic. We hope you find this useful and that it helps you to talk through the topic with your child.

A reminder that KITS academy are running an after school archery club on Wednesdays. If you are interested, check the class dojo letter where there is a link to sign up on their website.

As always, please don't hesitate to contact me if you have any questions or queries about your child's experience of school.

Mrs Howitt

NON-UNIFORM DAY for Oscar

We are holding a non-uniform day on Tuesday 24th September to help raise funds for Oscar Saxelby-Lee who requires funds for a second transplant or to enrol him onto CAR-T therapy. For those who are unaware, Oscar is a 5 year old boy from Worcester fighting T-cell Acute Lymphoblastic Leukaemia. Unfortunately, the recent stem cell transplant did not work and he urgently needs further expensive treatment. We will be collecting voluntary contributions towards this cause should you wish to donate. Please see the link for more information
