

Happy Children, Successful Learners

7th October 2016

Dear Parents,

I was delighted to see so many of you supporting both the Macmillan Coffee afternoon and the Harvest Festival. I am sure you will agree that the children's performances were excellent, although I am still moved by the Eagles class singing 'Let it be' with such emotion.

Some Learning Logs have now been completed in classes and, taking a look at them this morning, the children have made an excellent start. Over the next few weeks, as the children get used to this new system, we would be grateful for your feedback on how easy the Learning Logs are to complete at home.

As always, please feel free to contact me or chat to me in the playground if there is anything you wish to discuss about your child's experience at school.

CHRISTMAS LUNCH

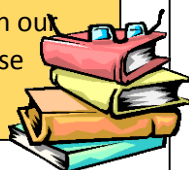

Christmas Lunch will take place on Wednesday 14th December this year. If your child does not normally have a hot dinner and would like a Christmas Lunch, please ensure this is ordered through Dinnerpay. Thank you.

Please note that our preferred method of payment for items such as uniform, school trips, lunches, milk etc is Payment 4 Schools. If you are unable to pay by this method please pay by cheque. As a very last resort cash. Thank you for your co-operation in this matter.

MACMILLAN COFFEE AFTERNOON

Thank you for your kind donations of cakes and attending the coffee afternoon, we raised a total of £289.59. Well Done everyone.

We are always looking for parent volunteers who can spare as much or little time as possible to help with our children's reading. If you are able to help out, please contact the school office. Thank you.

We would like to thank all parents with the new morning arrangements at the school gates. This system is proving to be more streamlined at the beginning of the school day.

You may have spotted some new faces at school as we have four PGCE students from Worcester University with us until Christmas and again in the Summer Term. Emily Marrs is in Eagles Class, Benjamin Franklin (a maths specialist) and Alice Todd are in Owls class and Rosie Dunn is in Robins class.
