

WYCHBOLD FIRST & NURSERY NEWSLETTER

13th October 2017

Dear Parents and Carers,

As many of you have discovered, we have updated the school website to include a Dojo Blog on the class pages, which gives you an insight into what your child has been learning and participating in at school. We hope you enjoy seeing the photos and videos as it is designed to provide an additional link between school and home. If you haven't had a log on, please see your child's class teacher.

We will also be using the website as an up to date source of communication, so please check the diary dates and the news pages. There are also curriculum maps and an overview of Phonics and Mastery Maths for you to read.

Fun Friday Enrichment will be starting for Starlings, Owls, Falcons and Eagles after half term, so letters will be going home next week to tell you which group your child is in.

Thank you for your ongoing support this term.

Mrs Howitt

Parking – we have seen incidents of inconsiderate parking, where parents have blocked the road by parking on the pavement. Please be respectful in how you park to drop or collect your child. The barrier will now be open for additional parking in the Parish Council car park so please use this facility rather than blocking the road. There is also the additional parking on School Road, behind the bungalows to the left of the Social Club as well as the social club on Mon, Tues, Thurs, Fri. Thank you for your consideration.
