

Happy Children, Successful Learners

21st July 2017

Dear Parents,

On behalf of the staff team here at Wychbold, can I thank you for the amazing support that you have given the school, it has been a brilliant year. We are now looking forward to getting the school (and the new Nursery!) ready for September so it looks fantastic for the children.

Thank you for the responses to the Survey Monkey, the positive feedback on how your child feels a sense of belonging and the education that they receive was incredibly positive and we are delighted that you are pleased with your child's experiences at school. However, communication was a strong development point which we have taken from the survey and our action plan next year will address this. I will begin by sharing the key dates in this newsletter. The Google calendar on the website is also updated with events through to summer 2018.

I wish you all a wonderful summer and look forward to seeing you on Tuesday 4th September!
