

Dear Parents,

Thankfully, we seem to have come to the end of the heat this week. Thank you for your support with sunhats and sun lotion. Whilst, according to our policy, we are unable to apply sun lotion to children, we will always help the younger children, or those who need help, to apply it to their faces to avoid them getting it in their eyes.

As you are aware, the children have met their new teachers for September. Due to the new class of Falcons being created, the children will remain in their current classrooms for next year and the staff will be refreshing and brightening up their learning areas.

On 3rd July, you will have the opportunity to meet with your child's new teacher following their transition day.
