

Happy Children, Successful Learners

26th May 2017

Dear Parents,

As we come to the end of this half term (which has flown past!), we are enjoying the beautiful weather. The children are accessing a small area of the field but we still have moles working their way through the main areas making it inaccessible. We are trying every last resort to remove the moles but this is a very slow process.

Fun Fridays – the groups will change for Fun Friday after half term, so a letter will come home when we re-group the children during the first week. The activities will change too, although Upton Warren and Cooking will remain.

Mrs Howitt.

SUN HATS AND SUN SCREEN

With the weather now turning warmer, we would ask that all children have a named sun hat in school to wear on hot days. We would also ask that they have sun cream if they can apply this themselves or alternatively apply this before school. Unfortunately we are unable to apply this to your child. Thank you.
