

WYCHBOLD FIRST & NURSERY NEWSLETTER

Dear Parents and Carers,

The children have had a very energetic week and it has been great to cheer them on as they do their mile a day. The younger children have also been busy too learning about healthy living and exercise. We are hoping that the children will continue their interest in keeping active and healthy throughout the year.

As you have been made aware before Christmas, we are exploring becoming part of the Rivers Multi-Academy Trust. Look out for letters early next week which will give you more information on this and will also provide opportunities for your feedback as we begin the consultation process.

As always, please don't hesitate to contact me if you have any feedback or questions about your child's experiences at school.
