

## WYCHBOLD FIRST & NURSERY NEWSLETTER

Dear Parents and Carers,

Well done to our new children in Wrens who started in January and have settled in so well, it is wonderful to see them thriving. Places are still available for Nursery in September, so please pass on to any friends with pre-schoolers who may be interested that they are welcome to come and visit.

Our Fun Fridays this term are class based, but will run again between half-term and Easter. If any parents have ideas for our enrichment afternoons, possibly involving the local community, please do let us know.

On a final note, thank you to our Starling Class parents for supporting the children's Living Eggs project. We are delighted that all our eggs hatched and there are a little group of chicks cheeping in the classroom. All children in the school will have the opportunity to come and see our new little chicks.

### IRON ON LABELS

Hello! My name is Marion and as a grandmother of 4 I love to make life easier for mums. I am writing to ask if the parents of your school would be interested in "Iron On School Labels". I can supply at a really good rate as it's just a little hobby for me running up to retirement, prices start from as little as 99p for 15 labels. Contact [www.labelcreating.co.uk](http://www.labelcreating.co.uk) or email [labelcreating@gmail.com](mailto:labelcreating@gmail.com).

If your child is not attending school due to illness or medical appointments, please advise the school office and **not** your child's teacher as messages do not always get through and the office staff have to make unnecessary phone calls. Thank you for your co-operation.
