

# WYCHBOLD FIRST & NURSERY NEWSLETTER

22nd November 2019

Dear Parents and Carers,

Our two major projects in school, the additional playground and the school library are almost complete. Our area outside will allow children extra space for playtime games and also an all year sports area. The final section of fencing is being completed today so we are hoping to start using it from next week, which will be wonderful for the children and will allow them to have an active playtime.

Our school library is also nearing completion, which you may have seen if you have been near the entrance of school, so we are looking forward to having a well-stocked reading facility in school for the children as we have also made a large investment in books throughout school, including home readers.

Your support of school through the Friends' events means that the children will also have a brand new Trim Trail (outdoor wooden assault course) installed in January! So thank you for all your contributions, the children certainly will have a well equipped outdoor area as they move through school.

Mrs Howitt
