

Happy Children, Successful Learners

29th April 2016

Dear Families.

During this academic year, staff have been focussing on Phonics and Maths teaching including resources and teaching methods that ensure all pupils make the best progress.

We are now reviewing our book boxes for shared reading at home and we will be investing in a range of new titles to complement and enrich our existing book selection. For pupils to develop a love of reading, they need to be fluent and confident readers, so please continue listening to your child read as often as possible but at least 5 times a week. Older pupils can write their own comment in their reading diaries to record this and all pupils are awarded Dojo Points for their hard work to improve.

I hope you all enjoy the Bank Holiday weekend whatever the weather!
