

Parents Update: Robins. (19.5.2018)

Next week we will finish our Space topic which the children have thoroughly enjoyed. During the week we will be using our imagination thinking about aliens, including designing and writing about an alien. We will be making biscuits, invitations and planning for an alien party during the week, finishing the week with our own alien party.

As we are now doing PE outdoors, could all children have outdoor shoes they are able to run in: trainers or pumps please. The provisional date for our sports morning is Friday 6th July: This will be a sports morning for Nursery and Reception children together. Further details to follow.

Other dates for your diary:

Thursday 14th June: Robins class will be visiting St Peters First School in Droitwich for a Multi skills Festival (Permission letter attached)

12th July: Robins class will be participating in a Music Festival where they will need to dress up as a mini beast! Further details will follow closer to the date.

Many thanks for your continued support

Miss Bromley
