## Autumn 2019

Welcome to your wraparound care newsletter

Now the weather is getting colder the dark nights are drawing in we will be spending more time inside school. We will be using as many rooms as possible to offer lots of different activities and opportunities. All children will also have the opportunity to do any home work they have set while they are in after school club and will

be able to use some of the resources in we have in school, this will be on a voluntary basis and it is up to the children to ask to do so.

We have welcomed story time every evening since September and we really enjoy this time of the day. If your child has a favourite book they would like to share with us all then they

are more than welcome to bring them in.

We will have more time to play on the iPads, the Wii console, do some cooking, take part in art activities and do some physical activities with the PE equipment we have in school to help them.

### Breakfast menu

Our breakfast menu is a free choice of cereals including, Rice Crispies, Corn Flakes, Shreddies, Multi Grain Hoops, Weetabix and porridge. There is also the choice of toast, pancakes, or crumpets. All children are provided with no added sugar apple or orange squash or water to drink.

### After School Club Snack

Snack is provided at club each evening and is served between 4.15 and 4.30. Our snacks that we offer are a light snack to keep our children happy until they come back home. Here is our new updated snack menu. All children are provided with no added sugar apple or orange squash or water to drink.

## Quick notes

- Could you please ensure that you don't let in other parents when picking up or dropping off your children, this is a safeguarding and health and safety issue for our school and children.
- Could you please ensure your child's name is on their belongings, as we do try to ensure they come home with them this is very hard for us if they don't have a name in.
- Also could you please refrain from parking in front of the school gates and on the yellow lines outside school, this is for the children's safety.

## Resources request

If you have any unused toys that still have all pieces and plenty of life left in them, we would love to give them a new home, our children would love anything new and exciting to play with. Our children have expressed an in dolls and toy soldiers, so if you have anything to spare please drop them into the school office and we'll get them into club as soon as we can.

## New contact arrangements for all wraparound care

All staff at Wraparound we now have a mobile phone in our wraparound care for you to be able to reach us by calling or by texting us. This is only for contacting us outside of normal school hours. You will not be able to book in any sessions this way that will still need to be done through the school office.

The number is 07523243075

We hope this makes it easier for you to contact us all while your child is in our care.
