

LET'S BE
FOOD
SMART
FOR BODY AND BRAIN

Dear Parent / Carer

Alliance in Partnership (AiP) are very proud to be the chosen caterer for Wychbold First School and Nursery. AiP specialises in education catering and have a vast amount of experience in this sector. We provide nutritious healthy meals for the students to enjoy and provide them with all the nutrients and energy to get them through their busy day. We offer a wide selection of choice to suit everybody's taste to ensure we cater for the whole school.

Our payment and ordering online system is now active and you would of received a text message and/or email about the new system along with your password. This is all the information you need to activate your account.

All universal infant free school meals and free school meals should be booked and ordered online.

To login to your account go to www.schoolmoney.co.uk

Enter your Mobile Number, Email Address and the Password (your password is allocated to you via the welcome message)

It is important that the mobile number and the email address you are trying to enter does match with that which is issued to the school, as this will not allow access to the system.

When you change your details it is important that you let the school know so that all records are kept up to date

Online payment will cut off each Wednesday at midnight ready for the following week's menu.

If you should loose your password the school and our catering manager will be able to assist with this. All absences should be reported before 9.15am to the kitchen to cancel your child's meal. Catering Manager, Mel Perrins – 07964 879566

Yours sincerely

Andrea Collins
