Year 3 Home Learning Activities

Complete these daily activities.

Warm up to learning

English

Maths

	Warm up to learning	English	Maths
Monday	Choose from: https://www.youtube.com/thebodycoachtv or https://www.youtube.com/user/CosmicKidsYoga	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Exploring poetry) or https://classroom.thenational.academy/schedule-by-year/year-3/ (Reading comprehension)	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Ordering fractions) or https://whiterosemaths.com/homelearning/year-3/ (Order fractions)
Tuesday	Choose from: https://www.youtube.com/thebodycoachtv or https://www.youtube.com/user/CosmicKidsYoga	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Sound words) or https://classroom.thenational.academy/schedule-by-year/year-3/ (Reading comprehension)	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Adding fractions with the same denominator) or https://whiterosemaths.com/homelearning/year-3/ (Add fractions)
Wednesday	Choose from: https://www.youtube.com/thebodycoachtv or https://www.youtube.com/user/CosmicKidsYoga	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Nonsense poetry) or https://classroom.thenational.academy/schedule-by-year/year-3/ (Read the example and identify the key features)	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Subtracting fractions with the same denominator) or https://whiterosemaths.com/homelearning/year-3/ (Subtract fractions)
Thursday	Choose from: https://www.youtube.com/thebodycoachtv or https://www.youtube.com/user/CosmicKidsYoga	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Alliteration) or https://classroom.thenational.academy/schedule-by-year/year-3/ (Key features SPaG focus)	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Problem-solving with addition and subtraction of fractions) or https://whiterosemaths.com/homelearning/year-3/ (Problem solving with fractions)
Friday	Choose from: https://www.youtube.com/thebodycoachtv or https://www.youtube.com/user/CosmicKidsYoga	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Reading lesson) or https://classroom.thenational.academy/schedule-by-year/year-3/ (To use key features in order to write own composition)	Choose from: https://www.bbc.co.uk/bitesize/dailylessons (Challenge of the week) or https://whiterosemaths.com/homelearning/year-3/ (Friday maths challenge)

Year 3 Topic Planning

Choose an activity each day

<p>T-shirt Printing Art</p> <p>The art of printing on clothing can be traced back to its roots in Africa, specifically to the region of Benin. They used Adinkra symbols that were designed to represent things such as love, peace, happiness, health, etc.</p> <p>See if you can get a plain t-shirt and make your own prints on it. We suggest you try and use fabric paint so that your symbols do not disappear in the wash.</p>	<p> African Drumming Music</p> <p>The djembe drum is said to have been invented in the 12th Century by the Mandinke tribe in what is now Mali, in West Africa. It has been played by West Africans for generations. Invent, develop and perform your own African rhythms. You might decide to make your own drum or practise your rhythms on a saucepan, table or suitable surface.</p>	<p>Flags Culture/Geography</p> <p>Each African country has its own flag of meaningful colours: green symbolises growing things, yellow symbolises the sun, red the blood of the people, blue the sea, white peace, and black the people or African freedom. Make your own flag thinking about which colours that you have used signify to them. You could do this as a collage, iPad drawing or painting.</p>	<p>Fables English/Drama</p> <p>Fables are children’s stories that contain morals or lessons for the reader. They also often contain characters that are animals with human characteristics. Think of stories such as the Tortoise and the Hare for example. Can you write or even act out your own fable? What lesson would you like to give off? Perhaps look up some famous fables first and read them to give you some ideas.</p>
<p>Country Fact File Geography</p> <p>Did you know there are over 50 different countries on the continent of Africa? Can you choose one to make a fact file about? Learn about the country’s flag, population, landscape, animals and landmarks. We are sure you will find something amazing whichever country you choose!</p>	<p>Food Chain and Habitats Science</p> <p>Explore the African Savannah and find out how the animals and plants are connected in different food chains.</p> <p></p>	<p>Nelson Mandela History</p> <p>Nelson Mandela has had a huge impact on African history. Can you research all about him and find out what amazing things he did? Perhaps create a poster all about him or simply tell an adult at home what you have found out.</p>	<p>African Patterns Art </p> <p>African clothing, bedding and fabrics are often hugely colourful and display beautiful patterns.</p> <p>Can you create your own colourful African pattern to display somewhere in your home?</p>
<p>“Hello!” Languages</p> <p>The most spoken language in Africa is Swahili. There are thought to be over 300 different languages being used across the whole continent. Can you learn how to greet someone in lots of different Africa languages. Here is one to get started... “Sawubona!”</p>	<p>African Dance PE/Dance</p> <p>In Africa, as in other parts of the world, ceremonial dance tells a story. More than mere entertainment, it recounts history, conveys emotion, celebrates rites of passage, and helps to unify communities. There are many forms of African dance which combine rhythmic body movements with music. Can you create your own African dance? Your dance could tell a story, show your emotions or beliefs or celebrate something special. You could record your dance too; we would love to see it.</p>	<p>Religion RE</p> <p>What are the main religions in Africa? Choose one or more religions to find out about. Some ideas for research: · Religion · Followers · Place of worship · Holy book · Special people · Beliefs · Festivals/celebrations/ceremonies · Pilgrimage Present your findings in any way you choose. You could make a fact file, compare religions using a Venn diagram or even design your own quiz.</p>	<p>Geographical Wonders Geography</p> <p>Africa contains some of the World’s most amazing geographical features. Can you choose one and learn all about it. What makes it so special?</p> <ul style="list-style-type: none"> • Sahara Desert • River Nile • Mount Kilimanjaro • Congo River • Victoria Waterfalls • Ituri Rainforest
