

Eagles' Newsletter

Welcome to the new school year!
I hope you had a fantastic summer holiday and are as excited as I am about this year!

Homework

Reading – Please make sure to read at least 3 times a week and for the reading record to be signed by an adult. There are dojo points up for grabs for children who read more than 3 times a week!

Spelling – Spelling log books will be sent home every day and children are to practise their spellings every night.

Learning log- Learning log homework will be set on a Friday and handed in on a Wednesday. As always the learning log homework is a chance for your child to be as creative as they like and to most importantly enjoy completing their homework.

Speedy maths- I will be sending out a speedy maths ladder which will show the maths objectives planned for the year. Each half term I will be adding relevant games on Education City to be completed.

Discovery Topic

This autumn term our Discovery topic is The World Wars where we will be learning about WW1 and WW2. Children will have the opportunity to look at real artefacts from the Wars, build miniature Anderson shelters, and experience what it would be like to be an evacuee during the War. We also have some exciting trips planned so please keep a look out for the letter in your child's book bag.
