

# Owls Update: 2.3.2020

## Africa

This half term we will be learning about some of the countries and areas in Africa, focusing on how they are similar and different to Wychbold and England. We will be learning about African music, animals, and buildings.

### SATS information. (Standard Assessment Tests)

In May, all children in Year Two will complete SATS in school for reading and mathematics. There will be a parents' information session on Thursday 19<sup>th</sup> March at 3.30pm where more information will be given, including activities you can do with your child to help them prepare, looking at SATS papers so you can see expectations and discussing how we will try to make them as exciting as possible! Please let Miss Bromley know if you are not able to attend. Thank you.

### PE kits.

**Please make sure that all children have PE kits in school: we do PE on a Monday and a Wednesday. They will need both indoor and outdoor kits please.**

### Literacy

In Literacy we will be learning about writing instructions through our key text 'How to wash a Wooley Mammoth'. We will also be learning about exclamation marks, expanded noun phrases, statements and imperative verbs.

### Maths

In maths we are looking at fractions, 2, 5 and 10 times tables as well as counting in 3s. We will be learning about grouping and division and will be applying our learning to word problems.

### Staffing.

Mrs Mounter has settled well into Owls and has been getting to know all the children.

You may also have noticed Miss McCairn in our class who is a student on placement in March.

### Reading.

Reading books will now be changed on a Monday morning by Miss Bromley; please make sure reading records and books are in school on that day. Please write in the reading record books each time your child has read/ re-read their books; they should be reading with you at least 3 x a week. Thank you.
