We have green fingers in our topic
'Sow and Grow'

Robin's children have begun learning about growing in our latest topic and have begun to examine the story 'Jack and the Beanstalk' thinking about the start, middle and end of the story. We will be learning about the characters and their feelings and thoughts and will be learning to tell and write parts or all of the story.

During our topic the children will also be taking part in a selection of activities such as:

- Planting cress, beans and flowers.
- Learning about seeds and how plants grow.
- Making their own miniature Jack and the Beanstalk.
- Making plant, flower and bean craft.
