	Exclusion is used as a last resort where the safety of adults and children is at risk.
Pupil Support	A number of pupil support systems are in place and are proving effective in promoting good behaviour. All school personnel work hard to ensure that these systems run smoothly.
Incidents	<ul style="list-style-type: none">▪ All incidents of bad behaviour are recorded in a the class behaviour file and transferred to Arbor by the class teachers.▪ The senior managers will investigate all incident.
Outside Agencies	We have links with the Education Psychology Service, the and the EWO who provide invaluable support to this school.
Celebration of Effort and Achievement	Good behaviour is celebrated at assemblies. Pupils are given certificates for 10, 20, 30, 40, 50(Bronze Certificate), 60, 70, 80, 90, 100(Silver Certificate), 110, 120, 130, 140, 150(Gold Certificate), 160, 170, 175(Platinum Certificate) days of Outstanding Behaviour.

Effectiveness

We believe this policy will be effective only if we ensure consistency across the school by regular monitoring.

Annually the effectiveness of this policy will be reviewed, or when the need arises, and the necessary recommendations for improvement will be made to the governors.

Behaviour and discipline

We believe that we promote good behaviour by creating a happy caring school environment where everyone feels valued, respected, secure and free from all forms of anti-social behaviour.

We encourage pupils to achieve in a learning environment where self-discipline is promoted and good behaviour is the norm. Low-level off task behaviour during lessons is not accepted as we believe pupils will achieve their full potential in a happy, stimulating and ordered school environment.

Most misbehaviour can be dealt with quickly and easily. We do this by correcting minor infringements on-the-spot and then moving on with the lesson. On-the-spot corrective actions include things such as: *making eye contact with a student*, praising a child exhibiting the required behaviour, *moving closer to a student or group* to quietly *remind them of a relevant rule* or *simply directing them to return to work*.

If for any reason children do not adhere to our school rules we have a system whereby children are reminded of the rules and asked to modify their behaviour. No child is penalised without first having

the opportunity to correct their behaviour and demonstrate good behaviour. We realise though that children need to understand there are consequences from the way they behave, therefore if children need further reminders about the school rules we will record that they will need to forfeit a period of their Golden time.

Golden Time

In school from Years 1-6 employ a period of 'Golden Time' each week. At the beginning of the week it is expected that the whole class will be rewarded with the full allocation of Golden Time to be spent in a collectively-agreed way. Classes usually enjoy spending their Golden Time playing outside or watching a film or accessing the wet-weather toys.

Throughout the week a child may be penalised for any instances in which they break the school rules; for each occasion they break a rule, they lose five minutes of their Golden Time.

Behaviour certificates

Adults in class keep a record of every day in school where a child has demonstrated exemplary behaviour. Certificates are then awarded on a regular basis to inform parents of a child's good conduct in school.

Behaviour folder

Serious misbehaviour needs reporting to the Headteacher therefore a behaviour book is kept in every class to record an instance of continual breaches to the school rules. This helps staff and pupils to become aware of any emerging patterns about which rules are being broken and whether the occasion for non-conformity is due to specific conditions.

When a behaviour record is made in the Behaviour File, the child must take the file to the Headteacher's office to enable the Headteacher to hold a discussion with that child. The record is then to be added to Arbor by the class teacher.
