

Year 5KC Mission Statement

In Year 5KC we will demonstrate outstanding behaviour at all times. We will follow the school rules and come to school in the correct uniform.

Our attendance and punctuality will be the best in school. We will sit and listen tentatively during assembly times. Our classroom and cloakroom will always be clean and tidy.

As a class we would all like to achieve our 25m certificate in swimming. As part of our healthy lifestyle and active life we are committed to completing fitness activities every day.

During our lessons our aim is to become as confident as we can. All of us want to achieve having a pen licence by the end of the year. We will always be polite, respect each other and all of our equipment.
