

Mathematics

This week children will be learning about problem solving.

Activity:

Can you share 4 biscuits equally between 2 teddies. If you don't have any teddies you can share the biscuits into 2 plates. What would happen if you gave 1 teddy not enough biscuits? What would happen if you gave 1 teddy too many biscuits? How can you make sure they each have the same number of biscuits. Encourage your child to share the biscuits one at a time that way all the biscuits will be shared out equally.

Date: Monday

Remote Learning
From Home

Topic

Our topic for this half term is, 'How do things move?'

Activity:

Click on the link below to listen to our core story, 'Dig Dig Digging.'

https://www.youtube.com/watch?v=7AgMKUcd_b4

Literacy: Phonics

Activity:

Today children will be joining in with a RWI phonics lesson where they will learn the 's' sound. Click on the link below and support your child in learning our new sound.

Literacy: Writing

With the name writing frame and whiteboard pen provided practise over writing your name. Can you have a go at writing it underneath independently?

Please also practise writing our new sound 's' remembering to say the rhyme, 'Slither down the snake.'

Slither down the snake.
