

**Bible
Stories**

linked to our

VALUES

**We need
your help!**

Last year our KS2 children had the opportunity to vote for a bible story which demonstrated each of our school values; love, courage, unity and inspiration.

Now we are seeking the views of our whole school community so that we all have a shared understanding of the key bible stories which underpin our school values.

Please help us by completing this short survey where you will have a choice of different bible story options for each school value. Please select the most appropriate bible story which you feel demonstrates the value the most.

<https://forms.gle/KjqpGJKi7uQFn9Dk7>

This survey will run until Friday 30th June – after this we will be able to share with you the most popular bible stories that have been chosen.

Thank you in advance for your help!
