

Bishop Aldhelm's CE Primary School

Loved by God; United in Learning

Headteacher: Scott Tait Deputy Headteacher: Lizzie Sharpe

We are extremely pleased to introduce 'Django' our School Therapy Dog

Django is just over 3 years old, a working dog who is also registered as an Anxiety Assistance dog and will be visiting us in school on a weekly basis – times to be confirmed.

Django will be available in certain circumstances to assist those who may need some extra help in school and will also join the school on walks and events. Django will always be with a member of staff whilst involved with any 'work' in school and we will be mindful of those children with allergies or their own fears of dogs. Please be assured that not all children will be expected to interact with Django and there will be areas of the school that he is able to go/not go. We will be respectful of any wishes made.

We hope the children enjoy seeing Django in and around school.
