Beliefs and Practices

Children begin to understand that there are many different faiths in the world and have exposure to the main religions.

Children are introduced to several religious festivals and learn about why the are important to the relevant faith.

Children understand think and talk about places that are special to them and can explain why they are special to them.

Questions of Meaning, Purpose and Values

Children understand that Christians believe that God and Jesus loves everyone and when people follow their example, this makes God happy.

Children understand that it is important to love themselves and how to show love to everyone.

Children can explain what is important to them.

Educational Programme for UTW

Understanding the world involves guiding children to make sense of their community.

The frequency and range of children's personal experiences increases their knowledge and sense of the world around them.

Children learn about our culturally and socially diverse world.

Influence of Morality, Identity and Diversity

Children en joy listening to stories from different cultures and religions particularly those with morals e.g well known fables.
