

A safe county for everyone

Dear Colleague,

We urge you to complete a Home Emergency Action Plan (HEAP) help keep yourself, your family and loved ones safe considering the disruptions we may face especially over the winter. The HEAP has been produced by the Dorset Local Resilience Forum (LRF) so please print it, complete the details and keep it safe but accessible for an emergency.

We have included other links which may also be of value.

We also urge you to share this PDF with friends and family. All links are open source and intended for the public.

Home Emergency Action Plan (HEAP)	By Dorset Local Resilience Forum (LRF)
"Be Winter Ready"	By Dorset Council
DorsetPrepared.org.uk	Dorset LRF's website
Power Cut Advice	By Scottish and Southern Electricity Networks (SEN)
Winter Ready – Active Travel	By BCP Council
Home Emergency Plan	By SEN. Use this to compliment the Dorset LRF's HEAP

Best Regards

Operational and Contingency Planning
