

## INTRO. TO AUTISM AND ND SESSIONS

Hi everyone

Please find attached the up-to-date list of dates available to book for the Parent Intro. to Autism & ND sessions we are running. No diagnosis necessary to attend, no cost to attend.

Please ask parents to email me with their;

Name & Email address

Whether they require 1 or 2 spaces

Their choice of date / venue - providing top 3 in order. They will then be allocated a space.

Please bear in mind these spaces are limited and I cannot guarantee how long these spaces will remain available. I will then continue to collate a waiting list for parents who aren't successful in securing a space.

If you are interested in hosting one of these sessions, at a future date, please let me know and I will retain your details. We usually say if a school hosts an event, we can reserve say 10-15 spaces for their parents and then offer the other spaces out to other families in the area. We tend to cap our maximum numbers at around 30 people.

Please share with families and your school community. If you have hosted one of these events for us and have feedback from parents, please also share this with me.

Many thanks.

Kind regards,

*Jackie*
