Dear parents/carers,

We are so pleased with the way the children have settled into school life so quickly! We have started to teach the children phonics and introduced the concept of blending and are pleased with how keen they are to join in with these activities. They also seem to love books and are very often asking for more stories to be read to them!

We would like to invite you to a parent presentation which will explore in more detail how we teach phonics, reading and writing skills during this first year at school and will provide you with ideas of how you can support your child's development in these areas at home.

We will be running drop in presentations at:

- **9.30 am and 5.30pm on Wednesday 21<sup>st</sup> September 2022**
- **2.30 pm on Thursday 22<sup>nd</sup> September 2022**

Each presentation will have the same content so you need only attend one of these.

We will follow this up with a parent partnership after half term where you can come to your child's class and see first hand how we teach phonics in school.

Kind regards

Hannah Kassiri
