15th April 2024—23rd July 2024

### Half Term

29 May 2024 to 2 June 2024

## Our Reflection - 24th January 2024

This week, our worships have focused on discipline and the ways that it can help us to be successful. Christians believe that God's holy law helps them to live a fulfilled and happy life.

### Psalm 23: 4

*"I will fear no evil, for You are with me. Your rod and Your staff, they comfort me."*

We invite the members of our community to consider the sources of discipline in their own lives and their children's lives. How does this discipline help to make us happy and successful?

## School Attendance

Let keep up the great work and support each other to attend school regularly.

Attendance at school is vital for academic success as it enables our children to participate in activities, interact with teachers and peers, and receive immediate feedback. It also fosters social and emotional development by providing opportunities for socialising and teamwork.

Consistent attendance teaches discipline, time-management and prepares children for future environments. Regular attendance opens doors to personal and professional opportunities and helps comply with legal requirements. It is crucial for a student's growth in various aspects of their life.

**Our whole school attendance is currently 96%... This is amazing!**

Yet, we do appreciate that there are times when we are unwell and not able to attend school. If you feel that we can support in anyway please do not hesitate to contact the school office for support.

Additionally a prompt start to the day is essential. A lot of learning can be lost when arrive late to school - so please set the alarm clock early and get yourself into school.

Keep up the great work!
