Our Reflection - 31st January 2024

As we near the end of our focus on Psalm 23, this week we choose to think about gratitude and reflect upon our own reasons to give thanks for the life that we live.

Psalm 23 : 5

"You anoint my head with oil; my cup overflows."

Christians believe that God provides all that we need; that we are chosen to be an anointed member of his family. May we approach life with a grateful heart and to love others as God has loved us.

Communication

We understand that it's impossible to please everyone all the time, but we want you to know that we are always here to listen and address any challenges you may have.

We encourage open communication and believe that addressing any concerns directly with Mr Tait or the school is the best approach. Engaging in gossip or spreading rumours in Whatsapp groups only creates unnecessary challenges.

If you would like to discuss something, we encourage you to make an appointment to meet with Mr. Tait. Alternatively, you can also have a chat with him at the school gate. Our door is always open, and we value your feedback and concerns.

With maintaining good communication in mind... please also ensure that you keep your contact details up to date with the school office. If you have made any changes to your mobile number and/or home address please let the office know.
