

## Introducing the Bishop Aldhelm's Easter bunny run, 2023!

This year the PSA are introducing a sponsored bunny run and we can not wait for everyone to get involved to have some fun, set themselves a challenge and raise funds for our school and the children.

The children will shortly be coming home with a sponsorship form and a bunny mask.

1. Decorate the mask however you wish.. colour, paint, collage, glitter, whatever inspires your creativity!
2. Raise some sponsorship to complete the challenge.
3. Please make sure that you bring the mask back no later than Wednesday 22nd March and sponsorship will be collected until Wednesday 29th March.

During the last week of term the children will complete their challenge during the school day.

For year 2 the challenge will be to complete 5 laps of the sunken playground.

For year 1 the challenge will be to complete 3 laps of the sunken playground.

For reception and pre-school, the challenge will be to complete 1 lap of the sunken playground.

**The class who raise the most will each win an Easter Egg.** Please make sure to write the class on the envelope so it can be counted towards the class total.

Let the challenge begin!

The PSA thank you for your continued support. Registered charity number: 1191781
