

## ONLINE AFTER SCHOOL CLUB

### YEARS 5 and 6

Quiz Club runs the largest National Championship for primary school aged children in the country and we are now setting up Live Online After School Clubs. We are delighted to confirm that your child's school will be taking part in the Club in the Autumn Term so your child can experience the excitement, fun, challenge and benefits of a fantastic learning experience on a weekly basis. The Club is open to children from years 5 – 6.

The quiz is presented live online by our professional Quizmaster and the children play using any device (PC, laptop, tablet) which our system converts to a handset. This enables us to include children from schools across the country, making it a unique after school experience for the players, with children teaming up with each other from around the UK.

The quiz, which is 45 minutes long, is composed of 25 fascinating multiple choice general knowledge questions and the players answer every question using their handset. Throughout the quiz, the quizmaster embellishes the answers with plenty of additional detail, making the quiz really entertaining, capturing the children's imagination and lighting the fire for further knowledge.

As well as the quizzes being fantastic fun, they are also highly educational and inspiring. Momentous events in history, incredible geographical landmarks, amazing science, beautiful art, inspiring music and literature, cultures from around the world, current affairs and world knowledge all feature in our quizzes and serve to broaden your child's knowledge of the world around them.

At the end of the term your child will receive a Quiz Club certificate to mark their achievement in participating.
