4<sup>th</sup> September 2020

Dear Parents/Carers,

Please see below some questions that have been asked regarding September arrangements. This letter will be updated as questions are asked.

## **Do children need to bring bags?**

We discourage children from bringing bags and pencil cases into school. All children will be provided with their own set of writing equipment that they will keep in their class in their own area. These will not be shared with other children. Children only need to bring a lunchbox and book into school with them.

## **Can we drop off/collect siblings in different year groups at the same time?**

If you wish to drop off/collect siblings with different start and finish times at the same time, then you must drop off at the earliest time and pick up at the latest. This is so that older children do not miss out on learning in their class from arriving later or being picked up earlier. Key Stage 2 children will not be released early from class. Key Stage 1 staff will be in their classrooms to receive children earlier or supervise children after the collection times if parents are collecting an older sibling.

Many thanks,

Mr Scott Tait
