Sparks Bournemouth

Christmas Workshops

Sparks Bournemouth have upcoming filmmaking workshops running this Christmas, with support from BCP council and the Holiday Activities and Food Scheme. We will be running filmmaking workshops for ages 7-9 in the mornings (9.00am to 1.00pm) and ages 9-14 in the mornings and afternoons (1.00pm to 5.00pm). We are offering free spaces to children in receipt of benefits related free school meals, and we are particularly keen to include children with SEN. This Christmas holiday, children will work together to create their own holiday film in just five days from 19th December to 23rd December. Parents should email bournemouth@sparksarts.co.uk as soon as possible with their contact details if they would like to book a place.

It will be a fun, practical week that will build team-working skills, develop creativity and help children to make new friends and all children will receive a free hot meal every day! I would be most grateful if you could put the word out to qualifying pupils.

You can see some of the films created by past pupils here:
