

Sport Premium

For 2013-2014 and 2014-2015 the government is providing Sport Premium funding to every state primary school in England. A lump sum for each school, with a per-pupil top-up, is awarded for these two years. The funding objectives place great emphasis on improving the teaching and coaching for all children in Primary School education and therefore inspiring the Olympic and Paralympic stars of the future. This impact on the quality of teaching is also supposed to be sustainable for future generations. In addition to quality of teaching and learning, the Sport Premium funding can be used to encourage participation in a variety of after school clubs and intra-school competitions or can provide opportunities for children to experience a new sport.

Schools are required to publish information about their use of the Sport Premium on their website. Please do ask our Head Teacher, Deputy Head Teacher, Assistant Head Teacher or Sports Leader (Mr. Brennan) if you would like any further details.

What does Bishop Aldhelm's CE VA Primary School want to achieve from the two years of Sports Premium funding?

We aim to make sure that our school implements the Sport Premium funding in order to:

- a) gain high quality coaching for P.E. (Physical Education)
- b) gain CPD (continued professional development) for staff
- c) leave a legacy of sporting participation, competition and enjoyment when the current funding ends
- d) foster further a love of sport and of active lifestyles for all members of our school community

It is important that our school continues to work together with other agencies, such as PEDSSA (Poole and East Dorset School Sport Association) and School Games Organisers to make sure that the P.E. provision provided is of high quality for all the young people in our school community.

Nature of support 2013/2014

Sport Premium Funding Desired Outcomes

- To increase participation in sport and exercise opportunities within the school.
- To provide high quality coaches for all year groups across the school over the two year funding period.
- To provide high quality CPD for all staff who teach P.E. with a focus on understanding key fundamental movements and differentiation of tasks in lessons.
- To ensure that an emphasis is placed on the fundamental movement skills at both KS1 and KS2.
- To ensure that core skill areas such as net and wall, gymnastics, dance and team games are progressed through high quality coaching and team teaching between the coaches, teachers, higher level teaching assistants and teaching assistants.
- To ensure that the pupils at Bishop Aldhelm's CE VA Primary School receive the very best opportunities that this new funding can bring.
- Assessment of learning and implementing Information Communications Technology in P.E. Lessons.
